

# ***DEVELOPMENTAL DISABILITIES PLANNING COUNCIL***

## ***MISSION***

The New York State Developmental Disabilities Planning Council is fully funded under the Federal Developmental Disabilities Assistance and Bill of Rights Act. The Act, originally signed into law in 1975, authorizes the Council to prepare, implement and monitor a plan for improving the quality of life for people with developmental disabilities.

## ***ORGANIZATION AND STAFFING***

Located in Albany, the Council comprises 35 members, who have been appointed by the Governor to three-year staggered terms. Federal law requires that at least 60 percent of the Council membership be persons with developmental disabilities, parents or guardians of children with developmental disabilities and immediate relatives or guardians of adults with mentally impairing developmental disabilities who cannot advocate for themselves. Other required members represent State agencies, educational and training providers and local public and private services agencies.

The Chairperson of the Council is appointed by the Governor from within the Council. In addition, a full-time staff of 18, under the leadership of an Executive Director, assists the Council in carrying out its mission.

## ***FISCAL BACKGROUND AND BUDGET HIGHLIGHTS***

Federal funds fully support all Council operations, including State staff and contracts with non-profit agencies to develop new services and service delivery methods. The contracts are monitored by the Council to ensure that Federal funds provided to the State are used to augment — rather than duplicate or replace — existing services for people with developmental disabilities.

The 2003-04 recommendation of \$4.5 million in Federal funds represents the same level of funding as in 2002-03, based on the anticipated level of Federal funding. This funding is sufficient to support the Council's role in coordinating information about persons with developmental disabilities and the services available to them, and in overseeing grant funds.

## ***PROGRAM HIGHLIGHTS***

Through its Council membership of State agency heads, including the Commissioner of the Office of Mental Retardation and Developmental Disabilities, the Council employs an interagency approach to advocate improved and enhanced services, supports and assistance for persons with developmental disabilities. Its activities include conducting quarterly meetings, preparing white papers on issues affecting the disabled, attending conferences, training, providing technical assistance and developing a three-year State Plan. The Council works in association with persons with developmental disabilities, parents, service providers, advocacy groups and local and State government agencies to advocate for an enhanced system of community services, individualized supports and assistance that facilitates self-determination, independence, community inclusion and productivity.
