

DEPARTMENT OF AUDIT AND CONTROL

MISSION

The Department of Audit and Control was created in 1926 and is headed by the State Comptroller, who is elected by the people. The Department is responsible for paying the State's bills and payrolls; verifying all financial transactions of the State; reviewing the financial and management practices of State agencies; supervising the fiscal affairs of local governments; investing State funds and issuing bonds and notes; and administering the retirement program for State and most local government employees.

ORGANIZATION AND STAFFING

The operations of the Department of Audit and Control are organized into ten programs, with its main office in Albany and regional offices in New York City, Buffalo, Rochester, Syracuse, Binghamton, Glens Falls, Newburgh and Hauppauge. These regional offices function primarily as decentralized audit centers, providing financial review of the accounting of revenues collected and expenses incurred by counties, cities, towns and villages, school and fire districts and quasi-governmental entities. The Department will have a workforce of 2,369 positions for 2006-07.

FISCAL BACKGROUND AND BUDGET HIGHLIGHTS

The operating expenses of the Department are funded primarily with State tax dollars from the General Fund and with revenues from the Employee Retirement Systems. The Executive Budget recommends \$222 million for the Department's State Operations budget, including \$130 million, or 59 percent, in General Fund support.

Another 37 percent of the Department's State Operations budget will be supported in 2006-07 with the recommended \$83 million in funding from the Retirement Systems. The remaining 4 percent of this budget will be funded with:

- \$5.8 million in payments made by the City of New York and certain businesses, which support the Department's costs associated with overseeing City finances and with administering an account related to oil spill cleanups;
- \$1.6 million in charges to the Retirement Systems for the Department's staff and other costs related to administering an internal auditing program; and
- \$1.8 million from investment earnings, which will finance checking and direct deposit costs of State government.

The Executive Budget Recommendation includes \$40 million in Aid to Localities for special accidental death benefits for the survivors of police and paid firefighters and \$80 million for increased costs for indigent legal services.

PROGRAM HIGHLIGHTS

- The Executive Direction, Legal Services and Administrative and Data Processing Services programs are responsible for the public information, internal audit, fiscal research, data processing, financial administration, legal, office services, management analysis and human resource functions of the Department.
- The Payroll and Revenue Services program conducts pre-audits of the State payroll and manages two statewide revenue programs. Staff assigned to this program administer the Abandoned Property Law, which requires the timely transfer of abandoned property to the State from holders of the property, notification of the legal owners of the property and payment of all valid claims.

AUDIT AND CONTROL

- The State Services program audits all State agency, State public authority and New York City government programs to evaluate their effectiveness and efficiency. Staff assigned to this program also conduct a pre-audit of all non-payroll State expenditures. In this capacity, the Department acts as the State's bookkeeper, recording all collected revenues in the appropriate accounts, and posting all payments. The Higher Education Services Corporation and the departments of Labor and Civil Service fund on-site auditors who monitor selected activities of those agencies.
- The Local Government Services and Economic Development program examines and standardizes fiscal reports and accounts of all governmental and quasi-governmental entities within the State, and monitors and makes recommendations on the fiscal condition of municipalities. Staff also audit school districts and boards of cooperative education, with a portion of these costs funded by the State Education Department. This program also processes revenues generated by the local courts and by the sale of licenses for bingo and games of chance. These revenues are deposited in the Justice Court Fund and are subsequently distributed to the State and localities to which the funds are owed.
- The Office of the State Deputy Comptroller for the City of New York assists the New York State Financial Control Board in carrying out and exercising the responsibilities assigned, and powers granted, to the Board by the Financial Emergency Act for the City of New York.
- The Retirement Services program administers the State Retirement Systems, consisting of the Employees' Retirement System, the Police and Fire Retirement System and the Public Employees' Group Life Insurance Plan. Currently, there are about 2,993 participating government employers, 647,758 active and vested members and approximately 334,251 pensioners and their beneficiaries.
- The Pension Investment and Public Finance program, in addition to overseeing the assets of the Retirement Systems, issues general obligation debt, invests short-term moneys for the State and local governments and selects financial institutions to provide banking services to the State.
- Under Chapter 845 of the Laws of 1977, the Comptroller administers the New York State Environmental Protection and Oil Spill Compensation Fund. Costs associated with cleaning up oil spills are paid from the fund upon certification of the Commissioner of Environmental Conservation. Moneys in this fund consist of receipts from a fee levied on each barrel of petroleum shipped into the State.
